About This Content

Use the Starter Pack to get a head start in Forge with a 2x XP boost and show your foes that you are a real champion by wearing the legendary Shadow Armor!

The Vaklndr forged the Shadow Armor deep in the darkness of the Devourer's dwelling. It is stained with the same shadows the Devourer casts. The armor's outside is lined with coal from the mines of Mitgarde, found deep within the earth, providing extra protection against attacks. In addition to carrying the shadows of its origins, this armor is perfect camouflage for stealth attacks at night or slipping in and out of rocky terrain during the daytime.

This pack includes:

- 2x XP boost for 30 days after you purchase the pack

- The legendary Shadow Armor for all character classes

I bought this game when it came out and now it doesn't exist anymore 10\/10.. Don't buy this game! It was never good to begin with!

This game is out of business it seems do not waste your money!. Where is my money??!!!. \u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665. this is why you should avoid games in early access. Buy the game for 30USD only to have it go F2P and give you some \u2665\u2665\u2665\u2665\u2665\u2665t 30 day double xp token in return. \u2665\u2665\u2665\u2665ing what. I hope these developers suffer some serious financial problems for the rest of their lives.. Do not buy. The game is dead. Honestly it wasn't very good to begin with.. Just do not buy this, it is currently worthless.. Used to love this game. Then they shutdown servers... Why it is still being sold on Steam? Beats me.

DON'T BUY!! Literally UNPLAYABLE! LITERALLY!!

Its Dead...
